## AUGUSTANA DEBATES ON COMING WEDDING

President Woodrow Wilson can get married any day he wants to now. Augustana college last evening absolved him from all censure for again uniting his fortunes with those of a helpmate. The debate was long and heated, but victory went to the affirmative, and President Wilson's engagement to Mrs. Galt was endorsed by the members of the Gladstone Literary and Debating society.

The question was: "Resolved, That Woodrow Wilson, president of the United States, is justified in again uniting in matrimony." Virgilus Fern and George Palm argued in support of the affirmative and Elmer Benson and Bliss Rinck maintained the negative. The support of Augie in his "mingles" being assured, President Wilson will probably in a short time definitely set the date of his wedding day.

## RELIABLE REMEDY RESTORES KIDNEYS

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is a physician's prescription. Swamp-Root is a strengthening medicine. Dr. Kilmer used it for years in his private practice. It helps the kidneys, liver and bladder do the work nature intended they should do. Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it will help you. No other remedy can successfully take its place.

Be sure to get Swamp-Root and start treatment at once. However, if you wish first to test this great preparation, send 10 cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The Rock Island Daily Argus.—(Adv.)

## WEAR HAIR BRAIDED AT AUGIE 'KID DAY'

Age vanished as Augustana yesterday when the young ladies appeared for all classes wearing their "hair down their backs, in long, beautiful braids. And all the fair ones were same, too, that is the queer part of the performance. The surprise was on the fellows when they appeared at chapel. Cheers were given for the pig-tails and finally for the girls. No marked differences were noticeable in the quantities of hair, and the tresses seemed to be of usual quality. Last evening the girls fittingly ended the day with a wienie roast and general good time on Zion hill.
